

**GROWTH.  
WE ENCOURAGE IT.**

You have great things inside you. Like the desire to preserve and protect. Let the transformative power of our learning model put your experience to great use. You'll collaborate with like-minded, issues-focussed peers every step of the way in a practical and personalized platform for change. If you're ready to do some great things for your career, and the earth, let's talk. We see great things ahead.

THE VOICE OF CANADA'S  
ENVIRONMENTAL  
COMMUNITY

## COMING HOME

- 7 Editorial** Markus Moos & Sean Hertel  
Welcome Home
- 16 Evicted** Markus Moos & Sean Hertel  
It's time to toss (and rebuild) Canada's broken housing system.
- 18 Mortgages 101**  
Ryan Gosling enlists some all-star help to make mortgage financial language a little less confusing and a lot more entertaining. (Thank you, Paramount Pictures.)
- 22 Our Mortgaged Future** Alan Walks  
Understanding the overleveraged state of housing finance in Canada.  
+ **AJ Explains: Housing Finance Terms**
- 30 Through the Roof** Richard Harris  
How housing became so #!! expensive.  
+ **Housing Heals and Saves**
- 36 A Slow Revolution** Avi Friedman  
Canada is changing, and so is our housing.  
+ **Affordability Is the Hardest Shade of Green**
- 42 Hip, Cool & Unaffordable** Richard Florida  
The double-edged sword of big city living.
- 49 Breaking Ground and Glass Ceilings**  
Fliz Turner  
A call for more women in the housing development industry.
- 52 Fix It Up** Becky Lai  
One consultant's thoughts on the state of affordable housing development.
- 54 Room for All** Jennifer Dean  
Simple ways that accessible, adequate housing builds the best communities.
- 60 Home in the North** Andrew Wong  
Igloolik is one of 25 growing communities in Nunavut, where an entire generation of residents have been underhoused.
